WHAT IS COMMUNITY AMAGER

Community Amager is a cross-cultural project. Our vision is to be a meeting place on Amager where individuals and groups can meet across ethnic, cultural, religious and social divides in an atmosphere of respect and understanding. Community Amager wants to be involved in the local community and reach out a helping hand to newcomers in many ways.

It is the hope of Community Amager also to communicate the Christian message of love to Christian immigrants and refugees and unbaptized Danes on Amager through a monthly international service, Night Church, fellowship as well as discussions in smaller groups. There are three employees in Community Amager - Ellen M. Gylling and Jens Lind Andersen, who are immigrant pastors besides working in Nathanael's Church and Sundby Church as parish priests, and a cross-cultural secretary Hanna Vesalainen Hirslund. Community Amager has also a group of volunteers. Community Amager is a project within the Danish Lutheran Church, which began in 2003 and is supported by 14 parishes on Amager.

Contact the staff for more information on our offers and events.
